Please make sure you are signed up on ClassTag. You can download the app or use it from your computer. We will not be posting on Class Dojo. All communications will be sent through ClassTag. ClassTag also allows you to message teacher, sign up for conferences, view photos, and gives you access to a class directory. You should have received a code for your child's classroom and for a "Special Class". Please make sure you have access to both! All my posts will be in Special Classes along with messages from PE, Spanish, Library, STEAM, Godly Play, or Music. If you need help accessing ClassTag or access codes, please let us know! We want every family connected!

### **Visiting Campus**

Visiting campus during the school day can sometimes be tricky. If you need to drop off or pick up a student, conference with a teacher, or drop something off for your child, please report to the school office. The easiest way to get to the school office is to park on Mesquite Street and enter the double wooden doors and follow the hall down to the school office or park on Getty Street near the St. Philip's Episcopal Church and School sign and walk up the sidewalk until you hit the school office door. Please ring the doorbell if needed and someone will be right with you.
